How to Download the App

The app is available on both Android and iOS through Play Store and App Store, respectively. Just search 'UCLan London Mobile App' in the search bar and click the install button.

Login In

When you first open the app, you will be greeted by the log in page. Your log in is the exact same as your Online Learning/VLE log in. Your username will be your Student Code(5XXXXXX) and your Password will be your date of birth in 6-digit format (unless you have changed this).

Using the App

Once logged in, you can access all your learning materials using the tiles available. Your core resources are coloured blue – this includes the VLE (Moodle), ID Card, your Student email, Timetable, Student Policy, Important Dates, Employability, Student Union, Wellbeing and social media sites – just click the tile for the service that you require. When first using the app, you will need to log in to each service individually.

Virtual Learning Environment (VLE) contains crucial academic information and resources. It is the hub to access your module materials, timetable, Student Email, submit your assessments, and access various learning resources such as Digital Library.
