The Wellbeing, Disability and Inclusion Team

The Disability and Inclusion Team offers information, advice and practical guidance for students. Support is available for students who have mental health difficulties, on-going medical conditions and specific learning difficulties. In accordance with our duties under the Equality Act (2010), we provide reasonable adjustments that meet the needs of disabled students; remove or minimize disadvantages otherwise resulting from the disability; and encourage students to participate in university life and succeed in their studies. We may be able to assist students with special arrangements for their lectures and examinations. Students may also find they're eligible for Disabled Students' Allowance (DSA), which can be used for equipment and support to help them to complete their course.

All students must record their class attendance between the allocated timeslots via VLE:

AM Sessions: between 09:45 - 10:30

PM Sessions: between 13:45 - 14:30

EV Sessions: between 17:45 - 18:30

If you join your class before the above hours or after 10:30/14:30, your attendance will not be recorded, and you will be marked as absent. It is your responsibility to record your attendance.
